 raise the bar™

Professor Damian Hughes

[View profile](#)

Professor Damian Hughes is an international speaker and best-selling author of eight books who combines his practical and academic background within sport, organisational development and change psychology, to help organisations and teams to create a high performing culture.

Megan Reitz

[View Profile](#)

Megan is Associate Professor of Leadership and Dialogue at Ashridge where she speaks, researches, consults and supervises on the intersection of leadership, change, dialogue and mindfulness. She has presented her research to audiences throughout the world and is the author of Dialogue in Organizations; Developing Relational Leadership.

Professor Steve Peters

[View profile](#)

Professor Steve Peters is the author of the ground-breaking "Chimp Paradox". It's the bestselling self-development book that features insights, tools & techniques used by the likes of Sir Chris Hoy, Victoria Pendleton, Steven Gerrard and Ronnie O'Sullivan, to name just a few, on changing your mindset and controlling emotions.

Paul McGee

[View profile](#)

Paul McGee is one of the UK's leading speakers on the subject of change, workplace relationships and motivation. His provocatively titled book SUMO (Shut Up, Move On) became an instant bestseller and his book on Self Confidence reached number one in the WHSmith business book chart. He has appeared on BBC Breakfast television and is a regular contributor on BBC Radio.

Jamil Qureshi

[View Profile](#)

Jamil Qureshi has worked with business leaders and companies helping teams to fulfil their potential by orchestrating change and performance programmes. Within sport, he has helped six people get to number one in the world. He has developed and delivered leadership programmes at board level for Coca-Cola, Hewlett Packard, Emirates Airlines, Serco, O2, and Cisco Systems.

Steve Smith

[View profile](#)

Steve Smith OLY is still Britain's most successful ever high jumper, having won a medal in every major championship including the Olympic Games. His British record has now stood for almost 25 years, showing how change is essential to progress and staying ahead of competition. Whilst sport based, his business experience ensures that the real-life links into audience roles are never forgotten and delegates have a clear understanding of how the sporting parallels relate to them.

Charles van Commenee

[View profile](#)

Brought in to change the culture of British Athletics and the mastermind behind the most successful night in GB Athletics history, Charles Van Commenee is an invaluable resource for his thoughts on coaching and high-performance culture. A straightforward and challenging leader, Charles communicates a clear and compelling vision for his athletes, which translates perfectly into organizations across the world.

Tim Wade

[View Profile](#)

Tim has led the transformation of global businesses across hospitality, retail, telecoms, financial services and now consults with some of the world's largest organisations on customer experience and brand development. Tim completely transformed the Best Western brand. 'Hotels with Personality' became the brand strategy and Tim drove this through a complete transformation of customer experience, marketing, plus a major culture change throughout the group.

John D Anderson MBE MSc

[View profile](#)

John D Anderson MBE MSc has been the Performance Director and Team Leader of the Olympic and Paralympic Canoeing teams since 1997. John works with professionals to support them to develop their presence, personal impact and influence, to manage transition, significant change, strategic development and thinking.

Nicklas Bergman

[View profile](#)

Nicklas Bergman spent the last 25 years working as an entrepreneur and technology investor. He believes that technology is probably the strongest driver of change today, and that anyone in a management position, or aspirations to eventually be in that position, must understand how technology is changing business from the ground up.

Jonathan Stanger

[View Profile](#)

Jonathan is passionate about personal development, continuous learning and helping individuals, leaders and teams to be the best that they can be. His presentations focus on adapting to change, implementing change, mindset, attitude and reacting positively to setbacks.

Professor Peter Cochrane OBE

[View profile](#)

Peter Cochrane OBE is one of the world's most respected and sought-after futurists. He speaks on technology, change and the future effects of change on corporations, individuals and society. Peter is the former Head of Research at British Telecommunications plc, the UK's largest telecommunications company.

Professor Richard Wiseman

[View profile](#)

Richard currently holds Britain's only Professorship in the Public Understanding of Psychology from the University of Hertfordshire. He researches the psychology of luck, change, perception and deception, and his work has been published in leading academic journals.

Thimon De Jong

[View Profile](#)

Thimon de Jong runs WHETSTON / strategic foresight, a think tank specialising in future human behaviour, societal change & business strategy. Thimon also lectures at the social psychology department of Utrecht University where he teaches master students how academic research can be practically applied to improve business strategy.

Kevin Gaskell

[View profile](#)

Kevin Gaskell is an extraordinary leader who took iconic brands Porsche, BMW and Lamborghini to unprecedented levels of success. A corporate trailblazer, serial entrepreneur and world-class team builder, Kevin has enjoyed success in sectors including automotive, data, technology, manufacturing, brand marketing and professional services, repeatedly leading teams to achieve extraordinary performance in companies ranging from 7 to 7,000 employees.

Ben Salder

[View profile](#)

As a thought leader within Change Management, Ben has developed a coaching led, practical change model which brings about real employee-led transformation. He combines this practical leadership experience with his extensive knowledge of Lean, Change Management and Organisation Development in an exceptionally engaging and inspirational way to support organisations through significant transformations.

Adrian Webster

[View Profile](#)

Drawing on his vast amount of practical experience as a motivator, high performance team builder, leadership, behavioural change and customer service expert, Adrian takes audiences on an emotional roller coaster ride as he brings to life a whole new world of motivational terminology and characters that everyone can instantly identify with, take away and put to good use.

Cristina Escallón

[View profile](#)

Cristina Escallón is an independent consultant in leadership development and culture, working with top teams of organisations around the world. Since 2005, Cristina has worked independently. Her corporate work ranges from strategy to leadership effectiveness and culture change; largely focused on transformation through design and facilitation of senior team sessions and company-wide or cross-organisational change programmes.
